

The Melbourne Board

TreeHorn Design is paying tribute to the city of Melbourne by creating a geometric Tasmanian Oak serving board. Handmade in our Preston workshop, the Melbourne Board comes with etched care and origin info. The Melbourne Board is best utilised serving up some local produce and makes the perfect gift or souvenir of this fine city!

Made from Tasmanian Oak and finished with the quality food-grade oil featured in all TreeHorn Design's Kitchen Board range.

Specifics

- Handmade in Melbourne

Materials

- Tasmanian Oak
